

Dryzone® Mould Remover Gel

Product Description

Dryzone® Mould Remover Gel is a bleach-based gel formulation designed to remove stubborn mould from areas such as bathrooms, kitchens and bedrooms. The thick gel clings to vertical and horizontal surfaces. Includes precision applicator nozzle for removing mould stains from sinks, sealants, grout, UPVC, washing machines, refrigerators and other hard-to-clean areas.

Benefits

- Removes all types of mould
- No scrubbing required
- Clings to surfaces
- Low odour

Properties

Appearance	Colourless gel
Recipe Type	Bleach-based gel
Density	1.0 g/cm ³
Size(s) & Packaging	150 ml tubes
Storage	Store in dry conditions in the original container
Shelf Life	6 months

Application Information

After wiping down and drying the surface, remove the nozzle and peel off foil to begin using **Dryzone® Mould Remover Gel**. Reapply nozzle and twist until tight or it clicks. Remove cap if present. Apply to the area that needs treating and leave for 6 hours or more, for best results leave overnight. Wipe away any leftover residue with a cloth. If any mould remains, reapply until you are happy with the results.

Precautions

Avoid contact with metals such as aluminium and stainless steel. **Dryzone® Mould Remover Gel** may discolour coloured bathroom grout. If this is of concern, carry out a test application in a small inconspicuous area and leave for 6 hours before carrying out full treatment. Care should be taken to ensure that **Dryzone® Mould Remover Gel** does not come into contact with fabrics or soft furnishings.

Other Information

Store in a safe place. Keep away from food, drink and animal feedstuffs. Keep out of reach of children and animals.

This material and its container must be disposed of in a safe way. Do not empty into drains. Do not contaminate ground, waterbodies or watercourses with chemicals or used containers.

Unprotected persons and animals should be kept away from treated surfaces until dry. For full health and safety information consult Safety datasheet (available on request). Always read the label.

Dryzone® Mould Remover Gel is produced in accordance with ISO 9001 and ISO 14001 quality and environmental management systems.
